Southwest Passage Trail

Considered a masterpiece of modern architecture, Frank Lloyd Wright's Fallingwater® is truly a site to be seen. This famous house built over a waterfall marries structure and surrounding unlike anywhere else.

Take a tour of Fort Ligonier, a full-scale reconstruction of the original British fort, which served as a key staging area during the French and Indian War.

The Route 40 National Road Byway is lined with classic inns, tollhouses, diners and small towns that tell the story of Pennsylvania's last 200 years.
